Community Appearance Committee

The Beautification Committee will serve as an advisory board to the City Council in providing leadership and guidance on programs and projects to improve the City's overall appearance and image.

The committee will provide input to the Council and management; study and make recommendations on improving the overall appearance of the City; coordinate, initiate and promote City-wide beautification programs and projects while encouraging community participation.

Duties:

- to initiate, promote, and assist in the implementation and development of City-wide beautification programs to include community participation;
- to seek to coordinate the activities of individuals, agencies and organizations, public and private, whose plans, activities and programs impact the appearance of the City;
- to study and make recommendations to the Council on improving the overall appearance of the City to include, but not limited to: cemeteries, parks and open spaces;
- to provide input and assistance to staff in the planting and maintenance of trees and other vegetation as these plantings are incorporated into the City's budget; and
- to provide input, guidance and assistance in the development of projects related to the appearance of the City, as needed and requested by Council and Management.

Committee Organization:

Committee should include members of the community with interest in the overall appearance and image of the City with up to 11 members as follows:

- 1 – Chamber of Commerce representative
- 2 – Officer/Member from local Garden Club
- 3 – City of Dunn staff person assigned by the City Manager
- 4 – 8 additional members

Effort should also be given to include individuals who have had special training or experience in a design field, such as architecture, landscape design, horticulture, or a closely related field.

This committee will serve at the discretion of the City Council and meet as needed. All appointments will be for one-year. After the committee has been established and working for a period of one year, this committee will be reevaluated by the Council to determine if any changes need to be made for the continuation of this committee.
