Greetings,

First, I would like to thank you for visiting our website. The members of the Dunn Police Department are committed to excellence in service to the citizens we serve in the City of Dunn. We are fortunate to have a community who supports our efforts and we appreciate feedback from our citizens. As the Chief of Police, I am devoted to maintaining a staff of highly skilled, well-trained professionals who serve as leaders in our community.

It is of utmost importance that we as an agency remain focused on building positive relationships with our community partners. Through enhanced community engagement efforts, the Dunn Police Department will create a high level of trust with our citizens and businesses that will allow us to work through challenges as they arise in our jurisdiction. As we all know in light of recent societal events, it takes the community as a whole to address needs during difficult times. I believe our core values, including **Service, Courage, Fairness, Integrity, and Compassion** will allow us to demonstrate extraordinary service that will benefit our great citizens.

As your Chief, I can assure the members of the Dunn Police Department will remain mission driven as our city continues to grow. We have a diverse group of staff members who go above and beyond for the well-being of those we serve. I welcome your input as we strive to make the City of Dunn a safe place for our residents and visitors.

Regards,

Chief Cary A. Jackson
