DUNN MIDDLE SCHOOL

At Level Up Math Camp, students (ages 8–rising 9th grade) build confidence, strengthen key middle school math skills, and get ahead for the next school year — all while having FUN.

This isn't your typical summer school. Our camp blends:

- 🎯 Hands-on activities & math games
- 🌱 Small group support for skill gaps
- 🏆 Friendly challenges & team competitions
- 🧠 Creative problem-solving and real-world math
- 💡 Confidence-building strategies that actually stick

Whether your child needs a little review or a major boost, we meet them where they are and help them

grow.
