

Professional Engineering and Related Services: RFQ Addendum #1 City of Dunn, North Carolina May 4th, 2026

Request for Qualifications:

Below is a list of Addendum for the Professional Engineering and Related Services: RFQ that was released on April 20th, 2026.

1. Regarding Section 3, page 6 of the RFQ Instructional document. The SOQ file must contain a signed copy of your company's W-9 form, but this form will not count to your page limit. There are no other required forms as part of the RFQ.
2. Regarding Section 2 page 3 of the RFQ Instructional document. In addition to the other services listed on this page there has been the addition of Contract Administration Services. If you are interested, please indicate so on your SOQ.
3. Regarding Section 2 page 3 of the RFQ Instructional document. To clarify, Land Development Design services include but are not limited to Civil Engineering, Site Evaluation, Analysis Permitting, Regulatory Compliance, Master Planning, Site Design, Due Diligence, Feasibility Studies, Conceptual Design, and Contract Administration Services. In summary, Land development includes professional services that would be useful to take a "raw" tract of land and develop it for City use.
4. Regarding Section 3, page 5 of the RFQ Instructional document. To clarify, you may include more than 3 projects under Qualifications & Experience if you wish. The maximum number of pages for the SOQ will still be 15. Required forms, resumes, dividers, and coversheets will not count toward the page limit.

Contact Information:

You may request an updated digital copy of the On-Call RFQ Instructional Document via email from Alex Abling (aabling@dunn-nc.org).

Please send all questions to Alex Abling (aabling@dunn-nc.org) before May 8th, 2026, at 5:00 pm. The City will respond to all questions submitted before this date and have all addendums posted by May 15th, 2026, at 5:00 pm.

This Addendum and others like it will be posted to the Front page of the City's website under News.
